Clas Ohlson was founded in 1918 as a mail order business based in Insjön, Sweden. This year, we are celebrating 100 years as a business with customers in five markets, more than 4,800 co-workers and annual sales of approximately 8 billion SEK. Our share is listed on Nasdaq Stockholm. A lot has happened since the start in 1918, but one thing has remained the same over the years; that we want to help and inspire people to improve their everyday lives by offering smart, simple, practical solutions at attractive prices.
